Subject: Malone- WDW-73 MIT and Injection Falloff Test
Date: Wednesday, July 22, 2015 2:51:17 PM

Dear David and Warren,

The WDW-73 MIT test was postponed today due to a transfer pump issued. That issue has been resolved and we will move forward with the MIT tomorrow (7/23/15). The injection falloff test is scheduled to begin on Monday (7/27/15). Should you have any questions please let me know. Thanks.

Kindest Regards,

Brian Moore
